

COVID-19 UPDATE

Dear Valued Clients,

As always, we are here for you and your pet! In an effort to minimize the risk of spreading the virus within our community, as well as for your safety and the safety of our staff, we are currently managing our appointments as curbside only. Thank you for your patience and understanding as we work together to do our part to help keep everyone safe.

When you arrive for your appointment/surgery:

- Please call us from your vehicle to let us know you are here.
 - A staff member will greet you to bring your pet into the clinic and have him/her evaluated by our veterinarian.
 - The veterinarian and/or staff will call you or meet you on the front porch to discuss treatment of your pet.
 - We will also take payment over the phone and will bring any food and medications to your car.
-

Safety Precautions:

Please help keep our staff safe by doing the following:

- Clean/wash your pet's leashes, bandanas, and collars.
- If you are sick, please send someone else with your pet, or reschedule your appointment.
- Our staff will be wearing masks/gloves for the duration of this outbreak. We urge you to do the same.

*Thank you for your patience and understanding during this difficult time.
We look forward to continuing to care for your pets!*
